

The SHOM logo is positioned in the upper left corner. It features the letters 'SH' and 'M' in a bold, white, sans-serif font, separated by a stylized blue circle that represents a compass rose or a globe's equator. The background of the entire poster is a complex, layered image. It includes a map of the world with binary code (0s and 1s) overlaid on it, a detailed bathymetric map of the ocean floor with various depths and features, and a large, stylized tree-like structure that resembles a coral reef or a complex network of underwater features. A large, detailed image of a modern oceanographic research vessel is shown in the lower right, sailing on the water. The overall color palette is dominated by blues, greens, and yellows, with white text providing high contrast.
